

EMINENT SCHOLARS WHO VISITED THE DEPARTMENT

Resource Person	Designation	Affiliation	Purpose/Topic of the Lecture	Date
Professor Rahul Gupta	Professor	University of Jammu	Extension Lecture	13-05-13
Professor Khalid Masood	Professor	Aligarh Muslim University	Extension Lecture	17-05-13
Professor C.C. Gujrati	Professor	Sardar Patel University	Extension Lectures	17-10-13 15-11-13
Professor S.P. Mukherjee	Professor	ISI Kolkata	Modelling & its Use	18-03-14
Professor S.K. Pandey	Professor	Lucknow University	Statistical Inference	18-03-14
Professor Qazi Mazhar Ali	Professor	AMU, Aligarh	Research Techniques	22-03-14
Professor Rahul Gupta	Professor	Jammu University	Sequential Analysis	28-03-14
Professor Kanchan Jain	Professor	Panjab University	An Introduction to Actuarial Science	22-04-14
Professor T. R. Gulathi	Professor	IIT Roorkee	Introduction to Integer Programming Inventory Control Models	09-05-14 10-05-14
Professor C. K. Jaggi	Professor	Delhi University	Inventory Management in Present Scenario	16-06-14
Professor Sheela Misra	Professor	Lucknow University	Female and Agricultural Statistics & its applications	15-12-14
Professor V.B. Roa	Professor	Chennai Mathematical Institute	Bayesian Estimation and Simulation	22-04-15 23-04-15
Professor Ashok Kumar Bansal	Professor	Delhi University	Bayesian Statistics	11-10-15
Professor Ashis Sen Gupta	Professor	ISI Kolkata	Reliability Theory Applications of Reliability Theory	03-11-15 05-11-15
Professor Madhulika Dubi	Professor	MD University Rohtak	Statistical Inference	17-11-15
Professor PC Jha	Professor	Delhi University	Applications of Six Sigma limits	02-12-15
Altaf Hussain Haji	Director	NSSO	Job Opportunities of Statistics in Govt. of India	08-03-16

Shafat Ahmad Bhat	Managing Director	International Academic Institute	Personality Development	10-03-16
Dr. TA Raja	Associate Professor	SKUAST-K	Applications of Statistical Techniques & Tools in a Real Life Data Sets	14-03-16
Shafat Ahmad Bhat	Managing Director	International Academic Institute	Personality Development	06-04-16
Professor SN Dwivedi	Professor	All India Institute Of Medical Sciences New Delhi	A Non-Inferiority Randomized Controlled Trial	25-04-16
Altaf Hussain Haji	Director	NSSO	Statistics and its Uses in Govt. of India	09-05-16
Professor Kalpana K Mahajan	Professor	Panjab University Chandigarh	Getting of testing Non-Parametric Methods	17-05-16 18-05-16
Dr MA Khanday	Assistant Professor	University of Kashmir	Abstract Algebra	21-06-16
Professor Bhatt Milind B	Professor	Patel University VV Nagar	Statistical Inference for Non-Regular Parameter Family of Distributions-I Statistical Inference for Non-Regular Parameter Family of Distributions-II	22-06-16 23-06-16
Professor Kalpana K Mahajan	Professor	Panjab University Chandigarh	Testing of Hypothesis	27-12-16
Professor Suresh Kumar Sharma	Professor	Panjab University Chandigarh	Logistic Regression Using SPSS	14-06-17 15-06-17
Professor Rajeev Kumar	Professor	Maharashi Dayanand University Rohtak	LP Techniques and operations Research	26-07-17
Professor SC Malik	Professor	Maharashi Dayanand University Rohtak	A Statistical Approach for Reliability of System	26-07-17
Professor Sunil Kumar Panday	Professor	Lucknow University	Inference Probability Theory-I Probability Theory-II	07-08-17 07-08-17 08-08-17
Professor Ravi K Mahajan	Professor	Panjab University, Chandigarh	Myths With Statistics	09-08-17
Professor Kalpana K Mahajan	Professor	Panjab University, Chandigarh	Basic Statistics	09-08-17

Professor Rajeev Kumar	Professor	Maharashi Dayanand University Rohtak	LP Techniques and operations Research II	22-07-17
Professor C.K. Jaggi	Professor	Delhi Univesity	Effect of Lead Time on Stochastic Inventory System	21-11-17
Professor Kalpana K Mahajan	Professor	Panjab University, Chandigarh	Statistical Inference Statistical Inference: An Overview	09-08-17 10-08-17
Professor Ravi K Mahajan	Professor	Panjab University, Chandigarh	Basic Non-Parametric Tests Probability: An Overview Research: From Uncertainties to Modelling	09-08-17 10-08-17
Professor Suresh Kumar Sharma	Professor	Panjab University, Chandigarh	Correlation and Regression Analysis Parametric & Non-Parametric Analysis ANCOVA,MANOVA, MANCOVA Factor, Discriminant and Cluster Analysis by Using SPSS	02-08-18 03-08-18 04-08-18
