

## Department of Statistics, University of Kashmir, Srinagar

### Details of Ph.D.'s awarded from 2012 to 2018

S. No	Name of Scholars	Name of Supervisors	Name of Co-Supervisors	Title of Ph.D. Thesis	Date of award	Remarks if any Male/Female
1	Hummara Sultan	Dr. Sheikh Parvaiz Ahmad		Bayesian Analysis of Some Continuous Probability Distributions	June 08, 2016	Female
2	Kaisar Ahmad	Dr. Sheikh Parvaiz Ahmad	Professor Aquil Ahmed	Classical and Bayesian Estimation of Continuous Probability Distributions	August 07, 2017	Male
3	Afaq Ahmad	Dr. Sheikh Parvaiz Ahmad	Professor Aquil Ahmed	A New Approach to Probability Distributions	August 07, 2017	Male
4	Saima Nazir Naqash	Dr. Sheikh Parvaiz Ahmad	Professor Aquil Ahmed	Bayesian Analysis of Generalized Probability Distributions	July 26, 2018	Female
5	Kawsar Fatima	Dr. Sheikh Parvaiz Ahmad	Dr. Tariq Ahmad Chishti	A Bayesian Framework for Analysis of Probability Distributions	August 07, 2017	Female
6	Suriya Jabeen	Dr. Tariq Rashid Jan		Characterization and Estimation of Some Generalized Continuous Distributions.	2016	Female
7	Adil Rashid	Dr. Tariq Rashid Jan		Compound Probability Distributions and Their Applications	2017	Female
8	Adil Hamid Khan	Dr. Tariq Rashid Jan		Reliability Analysis of Some Lifetime Distributions	2017	Male
9	Bilal Ahmad Para	Dr. Tariq Rashid Jan		Development and applications of generalized probability Models in Medical Sciences.	2018	Male
10	Mohd Afzal Bhat	Dr. M .A .K. Baig		Application of certain divergence measures.	2013	Male

11	Arif Habib	Dr. M .A .K. Baig		Generalizations of Shannon's measure of information and its applications.	2013	Male
12	Mohd. Javid Dar	Dr. M .A .K. Baig		Some generalization of fuzzy entropy measure and its applications.	2014	Male
13	NusratMushtaq	Dr. M .A .K. Baig		Some generalizations of useful fuzzy entropy measure and its applications.	2017	Female
14	Ashiq Hussain Bhat	Dr. M .A .K. Baig		Generalizations of fuzzy divergence measures and their applications.	2018	Male
15	Mehraj Ahmad Bhat	Professor Anwar Hassan		Problems of Estimation in generalized continuous probability distributions.	05-07-2017	Male
16	Khurshid Ahmad Bhat	Professor Aquil Ahmed		Some aspects of Mathematical programming in Statistics.	07-06-2012	Male
17	Bilal Ahmad	Professor Aquil Ahmed	Professoq Iqbal	Some aspects of duality in variational problems and optimal control	22-10-2013	Male
18	Abdul Raof Shah	Professor Aquil Ahmed	Professoq Iqbal	Optimality conditions and duality in constrained optimization.	19-06-2014	Male
